

GREEN LEATHER OIL

**USDA
CERTIFIED
BIOBASED
PRODUCT**
PRODUCT 100%

Product Description

Green Leather Oil is a leather conditioner and cleaner made from only natural and biodegradable ingredients with the sportsman and the environment in mind. **Green Leather Oil** will recondition old leather to reduce cracking, fading, and improve texture. Used on new leather, the emollient properties of **Green Leather Oil** will keep your leather looking new by adding water repellent, mildew protection and suppleness in one application.

Benefits

- Softens, cleans and protects leather
- Restores sheen to old leather
- Prevents leather cracking and drying
- Inhibits mildew in humid or harsh outdoor weather
- Green, environmentally friendly product
- Does not contain petroleum oil, solvents or harsh chemicals

Applications

Green Leather Oil is economical to use due to its low viscosity and high detergency properties. A little goes a long way!

✓**Sportsman Apparel:** Boots, gun slings, cartridge belts, gloves, lanterns, belts, firearm cases and holsters.

✓**General Apparel:** Footwear, purses, briefcases, suitcases, gloves, jackets, hats, vests, belts, wallets.

✓**Equestrian:** Harnesses, bridles, saddles, tack, halters.

✓**Sportswear and Sporting Equipment:** Baseball gloves, bicycle seats, saddlebags, chaps.

✓**Automobile:** Seat covers, steering wheels and upholstery.

✓**Furniture:** Excellent for use on all leather seating and leather household accessories

Directions For Use

Before applying **Green Leather Oil** to the entire item, apply to a small inconspicuous area to test compatibility depending on leather type.

1. Clean any soil from leather before application with a mild soap and warm water. New leather requires no cleaning.
2. Apply with a clean, dry cloth, sponge, brush, or fingertips and massage into leather pores.
3. Allow leather article to absorb Green Leather Oil for several hours.
4. Repeat steps 2 and 3 as necessary for severely dried or cracked leather items.

Packaging

Available refillable 2 oz pumps.
