

SYNSOL 7150

Petroleum Oil Free
Machining & Grinding Coolant

Product Description

SYNSOL 7150 is a light to medium-duty machining and grinding coolant. **SYNSOL 7150** is a unique blend of biodegradable lubricants designed for use on aluminum, cast iron and steel alloys. This coolant provides exceptional fine settling, rust protection and detergency to most metals. **SYNSOL 7150** can be used in individual sumps and central systems. **SYNSOL 7150** does not contain petroleum oil, chlorine or sulfur.

Benefits

- Non-staining on all aluminum alloys
- Exceptional rust protection on steel surfaces
- Low foam profile for use at even the highest pressures
- Clean running coolant that offers good visibility
- Long tool life and high surface finishes
- Exceptional sump life with high reserve alkalinity
- Outstanding fine settling properties

Specifications

Specific Gravity @70 ^o F...	1.03
Refractive Index Factor	2.3
pH (10%)	9.4
Appearance	Clear Amber Liquid

Packaging

SYNSOL 7150 is available in 5-Gallon Pails, 55-Gallon Drums or 330-Gallon Totes.
