

BioWeld Anti-Spatter

Product Description

BioWeld Anti-Spatter is a water-based, bio-degradable fluid designed with welders' health in mind, eliminating VOCs and harmful solvents. This anti-spatter spray is composed of safe vegetable bases and other sustainable ingredients. This unique formulation provides a strong barrier to prevent the sticking of spatter during the welding process for clean and consistent welding.

Benefits

- ✓ Botanical based – gentle on skin
- ✓ Cost effective
- ✓ Environment safe renewable resource
- ✓ Non-flammable
- ✓ Exceptional protection from spatter for clean, consistent welding
- ✓ VOC free
- ✓ Micro-film left on metals that will not impede welding, easily removed with water.

Directions for Use

BioWeld Anti-Spatter is designed to be used as-is.

Properties

Appearance	Clear Slight Amber	Green Product	Yes
Odor	Botanical	Biodegradable	Yes
Renewable Resource	Yes	Flammable	No
