Product Description

ADVANCE BOTANICAL HAND CLEANER is a heavy duty waterless or water dilutable detergent for hand washing in the machine shop or any industrial facility. This hand cleaner is composed of coconut and other botanical (green) ingredients. This unique formulation provides high detergency and emollient properties in a mild gentle to use hand cleaner.

Benefits

- Botanical based – gentle on skin
- Cost effective – super concentrated
- Pleasant odor
- Unlimited shelf life
- Environment safe renewable resource
- Versatile – used as received or diluted
- Exceptional cleaning in hard or soft water
- Exceptional cleaning in cold or hot water
- Removes tough soils – grease, oil, graphite, paint/ coating residues and marking inks

Directions for Use

ADVANCE HAND CLEANER can be used as received or diluted with water depending on the severity of the soil. Apply a few drops in the palm of the hand and rub hands together to remove even the most difficult soil.
