

# METKUT 687 CUTTING FLUID

## Product Description

**METKUT 687** is a high performance, neat cutting and forming fluid designed for difficult machining applications. **METKUT 687** is a non-chlorinated product that utilizes the most advanced extreme pressure technology to provide exceptional tool life by withstanding heat and reducing friction at the cutting edge. **METKUT 687** is the ideal choice for screw machining operations, deep-hole drilling and medium duty metalforming.

## Benefits

- Exceptional finishes on ferrous and non-ferrous metals.
- Non-staining on soft metals.
- Low foaming in high pressure systems.
- Excellent tool life.
- High stability to both heat and oxidation.
- Versatile – can be used as a cutting and forming fluid.
- Easily cleaned with aqueous or solvent cleaners.

## Specifications

Specific Gravity @ 70 degrees F.....0.93  
Density, lbs./gal.....7.74  
Appearances, Concentrate.....Dark amber liquid

**Directions For Use:** METKUT 687 is used as is.

## Packaging:

**METKUT 687** is available in 5-gal. pails, 55-gal. drums, 330-gal. totes, and bulk gallon quantities.
